Learn English, Love English

The English Institute

DIRECTOR'S WELCOME

Welcome to The English Institute in Mostar, centre for the study of the English language for motivated children and adults.

Join us for a learning experience which has its roots in the British Educational system and teaching methodology. Lessons are taught by native speakers using English language immersion, local language only used where necessary. Our contemporary curriculum uses active learning approaches and focuses on the application and use of language for real-life communication.

At the end of most courses is the option to take the internationally recognised Cambridge English exams at European language levels A1-C2. These are accepted at many universities and workplaces around the world.

Whether for study, work or just to feel more confident using the language, contact us to take the step in learning English.

Alexandra Tulji, PGCE, BA Hons,
Cert. TESOL
Director

CHILDREN FROM PRE-SCHOOL TO HIGH SCHOOL HAVE AN ENGAGING AND INTERACTIVE PROGRAMME THAT BUILDS KNOWLEDGE PROGRESSIVELY AND COMPLEMENTS THE STUDY OF ENGLISH AT LOCAL SCHOOL. STUDENTS HAVE TWO LESSONS OF 50 MINUTES EACH WEEK WITH A MAXIMUM OF 14 STUDENTS PER GROUP.

Pre-School Programme (Age 4.5 years - Grade 1)

Our early literacy programme for children from pre-school to Grade 1 gives children the essential building blocks of learning to read and write before they start English at school. Jolly Phonics is a fun and child centred approach to teaching literacy. With actions for each of the 42 letter sounds in English, this multi-sensory method is very motivating for children and parents who can see their child achieve.

English for Lower Primary children (Grade 1 - 6)

The Cambridge Kid's Box programme is a highly successful series that introduces lower primary children to the world of English. Interactive activities, amusing stories, video and songs make the learning process a delight for children. Take the Cambridge Young Learner exams, Starters (pre-A1) and Movers (A1) during Kid's Box.

English for Upper Primary children (Grade 6-9)

Prepare! is a brand new, interactive Cambridge series for early teens. This course contains a wide variety of interesting topics, comprehensive grammar study, global culture units and lively video interviews with teenagers, bringing language to life. In the programme is the opportunity to take the Cambridge KEY for Schools (A2) and Preliminary PET for Schools (B1) exams.

Primary package combinations

Why not combine a primary level course with additional reading or grammar study? See our current timetable for package options.

English for High School

Choose **general English** for further academic study, or **business English** to improve career prospects in the world of work.

General English

The Cambridge Objective programme is for students with higher levels of English and who want a diploma as evidence of English language ability when applying for study abroad at University.* The course contains lively topics, interactive activities and systematic and comprehensive language and exam practise. The Cambridge First Certificate FCE (B2), Advanced CAE (C1) and Proficiency CPE (C2) can be taken at the end of the course

Business English

Prepare for study at university or a future career in business. Business English includes the language of negotiations, meetings, presentations, emails, report writing and other situations that professionals face. The course contains reading texts taken from the Financial Times, real-life case studies and video interviews with business experts. Students can take the Cambridge BEC Business English exams at Preliminary (B1), Vantage (B2) and Higher (C1) levels.

* Entry requirements can vary, please check with your particular university. CAE and CPE are widely accepted. Some universities require IELTS or TOEFL, contact us if you need preparation for these exams.

ADULTS LEARNING FOR WORK, FOR STUDY OR SIMPLY FOR PERSONAL INTEREST WILL FIND MOTIVATING, FOCUSED LESSONS IN A POSITIVE AND RELAXED ENVIRONMENT. STUDENTS HAVE TWO LESSONS OF 60 MINUTES EACH WEEK, AND THERE IS A MAXIMUM OF 12 STUDENTS PER GROUP.

General English

Our General English programme help develop your knowledge, understanding and fluency in English. Improve your reading, writing, listening and speaking skills alongside a comprehensive study of grammar. Interactive material, dynamic role-plays, presentation and discussion all form part of this programme designed to help build confident communication in English.

At the end of the course is the option to take a Cambridge English exam from European levels A2 to C2.

General English is offered from beginner to advanced level. Take our placement test to find which level is right for you.

Business English

Our business English programme prepares you to confidently speak and use business English in a workplace context. This includes the language of negotiations, meetings, presentations, emails, report writing and many situations that professionals face in an international business environment.

The series contains reading texts taken from the Financial Times, real-life case studies and video interviews with business experts. At the end of the course you can take the Cambridge BEC Business English exams at Preliminary (B1), Vantage (B2) and Higher (C1) level.

This course is offered over three levels, from pre-intermediate to advanced. Take our business English placement test to find your level.

Adult package combinations

Combine an adult course with additional English conversation or reading classes. See our current timetable for package options.

INDIVIDUAL TRAINING

One-on-one tuition for adults or children allows the freedom to create a completely individual programme according to your specific requirements. You can work towards particular learning objectives, such as improving speaking and communication or learning technical vocabulary related to your field of business and industry. Alternatively, follow or combine any of the courses above in your own time and at your own pace. Lesson times are flexible and are arranged according to your schedule. Colleagues or friends with similar levels and aims can benefit from 2:1 (pair) or small-group sessions. Contact us for more information.
